

# MSEA Safety Seminar

Dedicated to helping association members create a safer work environment

## The Federal Motor Carriers Safety Regulation §382.603 requires training for supervisors.

“Each employer shall ensure that all persons designated to supervise drivers receive at least 60 minutes of training on alcohol misuse and receive at least an additional 60 minutes of training on controlled substances use. The training will be used by the supervisors to determine whether reasonable suspicion exists to require a driver to undergo testing under §382.307. The training shall include the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances.”

Are you concerned you might not be in compliance with this regulation? Then plan to attend:
